

MICCAI CMRxRecon Challenge 2023

Data Access Agreement for Participants

1. Definitions

* Data means all data downloaded from the Cardiac MRI Reconstruction Challenge (CMRxRecon) 2023.

* Recipient means a researcher who has previously completed this Data Access Agreement (Section 2) and has received acknowledgement of its acceptance.

2. Recipient

Please complete the following information for participants:

(Print) Name: _____

Email: _____

Affiliations: _____

Signature: _____ Date: _____ (MM/DD/YYYY)

3. Purpose

I. The purpose of disseminating the Data is to perform cine reconstruction and T1/T2 mapping tasks in the context of CMRxMotion challenge. The data cannot only be used in another context until the embargo period has expired.

II. Only non-commercial usage is allowed after the embargo period. The end of embargo period will be announced on the challenge website.

III. Publication of journal papers using the challenge data is allowed only after three months from the end of the challenge. The references listed on the website (<https://cmrxrecon.github.io>) are recommended to be cited.

4. Confidentiality

The Recipient(s) signing this document commit to **not disseminate** the Data to any third party.

5. Challenge rules

The Recipient(s) agree to follow the challenge rules listed on the website.

Please provide the version with the signatures including a permanent faculty in the register page in a format of PDF file, and send the signed e-copy to **CMRxRecon@outlook.com**
